At Locomotion, we believe children can love dance and enjoy everything else childhood has to offer.

Our **once-a-week training programme** allows dancers to experience Ballet, Tap, Contemporary Modern Jazz, Freestyle, and Theatre Craft, all in one dedicated evening. This structured approach builds strong technique, confidence and versatility, while still **leaving time for swimming, sports, Rainbows/Scouts, or other hobbies.** For secondary school students, the syllabus is delivered over two nights. We're proud to develop skilled, confident dancers, while supporting happy, balanced children.

All classes are supported by at least one student assistant.
